

Tsowa Kolo Felix

Front-End Engineer

4+ years experienced in Front-End Developing with hands-on experience in identifying web-based user interactions along with designing & implementing highly-responsive user interface components by deploying React concepts. also experienced with graphic design applications (e.g., Adobe Illustrator, Photoshop and Figma). Proficient in translating designs & wireframes into high-quality code, and writing application interface code via Javascript and React workflows. Also good at monitoring & maintaining frontend performance and troubleshooting & debugging the same time for better overall performance. As a highly skilled front-end developer with [number of years] years of experience, I am adept in creating and implementing user-friendly interfaces, developing and maintaining responsive websites, and collaborating with cross-functional teams to deliver high-quality digital experiences. With a keen eye for design and a passion for clean, efficient code, I am committed to staying up-to-date with the latest front-end technologies and best practices. Through my strong problem-solving skills and attention to detail, I have successfully delivered projects for clients ranging from small startups to large enterprises. I am excited to leverage my skills and experience to contribute to the success of your team.

EXPERIENCE

Web and Mobile Developer

InvestYield (<https://www.investyield.ng>)

InvestYield-App (<https://play.google.com/store/apps/details?id=com.investyield>)

Lagos, Nigeria, feb 2020 - july 2021
